Senior Faculty members of the institute are actively participating in academic matter in different capacity i.e. Dean of Faculty of Pharm. Sciences, & Chairman, Board of Studies & member of Boards. However we follow norms of AICTE. Suggestions of students are also invited on mutual consultation and tried to improve time to time.

❖ Mechanism/Norms & Procedure for democratic/good Governance

There is very good co-ordination among all faculty members / administrative, non-teaching staff and Head of the Institute. All the developmental activities are proposed by faculty members / Principal to the Management and implemented. All the faculty members and head of the institute meet at regular interval and discuss the routine matters / development plan etc.

We have good spirit of team work, healthy atmosphere in the institute. We conduct meetings of the Board of Management of the institute twice in a year. Suggestions of the AICTE / Govt. nominee & Experts & Board members are also invited. Annual Day is also celebrated by the end of academic year. On this day Annual reports, extra – curricular & academic activities etc. are highlighted. Course file, Internal tests, Evaluation system is adopted.

❖ Student Feedback on Institutional Governance/faculty performance

Students feed back are invited through Feed back form about institute & performance of the faculty is tried to improve through counseling.

❖ Grievance redressal mechanism for faculty, staff and students

Faculty members, Staff members & Students can directly approach to the Hade of Institution for their grievances and resolve the matter with mutual consultation / counseling. If require, matter is forwarded to the Management. Therefore grievances redressal mechanisms for all faculty, staff and students are straight forward, simple & transparent in all respects. We have good co-ordination with each other and atmosphere in the campus is academic oriented & healthy.

❖ Students can approach for their suggestions / greviances to Principal We have one counselor per twenty students. The counselors meet the students at regular interval. This practice resolves most of the problems smoothly.
